Benefits

1. Perfect combination of mechanical performance and highest hygiene requirements, ideal for pharmaceutical logistics
2. High filling load and racking weight. Ideal container for higher loads
3. Watertight pallet, ideal for washing lines.
4. Fully closed and hygienic closed deck and bottom
5. Totally smooth, sealed surfaces to prevent the accumulation of dirt and dust
6. Optimized folding design with increased load volume to improve reverse logistic
7. Reusable product and 100% recyclable
8. Perfect interlocking in empty stacking due to matching lid and runner geometry

Options

1. Conductive / ESD
2. Track & tracing (RFID, Barcode, Beacons...)
3. Customizable sleeve dimensions
4. Customizable sleeve design
5. Individual marking
